## Dear Friends of the Ed Foundation,

The past 18 months have been full of changes as we push to elevate the organization to the next level. State funding is still lacking for our schools, so support from the Foundation and other organizations can make a difference for teachers and students.

We are proud to share our accomplishments from the last 18 months in this report, and we share our successes with each of you – our partners, volunteers and donors, who make our work possible.

Sincerely,

*Kelly Grimm*

Executive Director

## College & Career Center makes improvements, thanks to donors

Thanks to last years Fall Fundraiser, over \$8,000 was raised specifically for the RHS College and Career Center. During the past school year the Center has added 4 chrome bases and 2 chrome books. In addition, they were able to add new magazine shelves for the walls, so that college, financial aid, ACT/SAT information can displayed for students and families. More changes will be coming soon!
